

7.1.1. Gender Sensitization Action Plan

The Institutional Gender sensitization action plan of the session 2022-2023:

- The college has committees such as “Internal Complaint Cell” and “Grievance Redressal Cell” having both male and female staff as members. Any student/staff can share their problems with the committee members.
- The ‘Women Cell’ unit of college organizes events related to gender sensitization and awareness programs.
- Separate common rooms for girls and boys.
- Separate toilet for girls and boys and separate toilets for staff.
- Provision of free sanitary pads to students and staff in case of requirement.
- Extra pairs of dresses for both men and women are kept for emergency.
- The college campus is under 24x7 CCTV surveillance with security check-points both at the entry and exit point.
