VISION

The vision of this college is to establish itself as one of the leading academic institutions by providing quality and holistic education and inculcating moral and ethical values, and skills for employment to the students from all sections of the society as they grow up to be responsible citizens of the community and the country.

MISSION

The mission of the college includes the following:

- To create an egalitarian environment where students belonging to different spheres of society including academically backward areas are imparted quality education.
- To introduce a variety of subjects and personality development courses that would develop employability skills amongst students as they prepare themselves for a diversified job market.
- To instill an ever-growing thirst for knowledge in the students and motivate them for higher studies and research.
- To encourage students' participation in extra-curricular activities for an all-round development of their character and personality.
- To reach a milestone of educational excellence.
- To establish a bond between the institution and society.
- To instill a spirit of community service and patriotism and guide students to be responsible citizens of the country.

FROM THE PRESIDENT'S DESK

T H K Jain College has always paid the greatest emphasis to the holistic development of students and strove towards achieving it through multifarious means. It has become the regular objective of the members of the college to arrange and distribute the teaching-learning process to the students through classroom lectures and audio-visual classes seamlessly.

This Annual Report is an abridged documentation of all the activities and accomplishments of the institution in 2018-19. We hope that the college remains consistent and push the envelope even higher in the future

FROM THE SECRETARY'S DESK
