What Our Students' Say...

Rajdeep Boral (2020-2023 batch)

Present Engagement: MSc-PhD student at BRIC - National Institute of Biomedical Genomics, Kalyani.

"As an alumnus of THK Jain College, my experience was truly transformative. The college not only provided a strong academic foundation but also encouraged to explore my passions & talents. The supportive faculty & an enriching learning environment, played a significant role in shaping my critical thinking and problem-solving abilities. Regular classes and monthly tests helped me to be at par with the syllabus. I was able to participate in various extracurricular activities that fostered my personal growth and built lasting friendships. Overall, THK Jain College has been instrumental in preparing me for the challenges of the professional world."

Bithi Majumder (2018-2021 batch)

Present Engagement: Project Assistant, Ecopark Butterfly Laboratory, Nature Mates-Nature Club

The three years of my BSc life have been a cherishable part of my life. I am deeply thankful to my department and college for providing me with numerous first-time experiences, such as: Excursions, Seminars, Presentations, Workshops, Organizing cultural programs in both online and offline modes.

At our orientation, RD ma'am planted a sapling of love for this subject in my heart. Subsequently, SB sir, ASR ma'am, RR ma'am, Kousik da, other professors, my batchmates, and seniors provided the necessary macro and trace elements for its growth. That sapling continues to grow inside my heart, & I remain grateful to them for the proper sustenance. Whenever my growing sapling feels nutrient-deficient, I return to my department, and I will continue to do so, again and again...
